

THE STYLE REFRESH

Outdoor living is about creating comfortable spaces to relax. Start with great furniture — and then layer on the colours and patterns! Get inspired by three looks from the **hometrends** collection at Walmart.

1. SETTEE + FOLDING FURNITURE = FUN FAMILY ROOM

Don't be afraid to break up a patio set! Bright coral pieces along with graphic pillows import a playful Palm Beach vibe.

◀ **START WITH:** Parklawn 4-piece conversation set, \$394.

Galvanized tray, \$10. IPE hardwood decking tiles by KANDY (outdoorflooring.ca).

Layer florals with graphic black and white designs.
Pillows, \$12.46 each.

Bright melamine plates are upbeat and pretty.
From \$2 each.

Folding tables and chairs are easy to stack and store.
\$20 each.

Add a rug to define a seating area. \$50.

A SUN CHAISE IS ALSO PERFECT FOR RELAXING OUTSIDE AT NIGHT!

2. CHAISE + SIDE TABLE + RUG = COSY NOOK

Take everything you love about your bedroom and translate it outdoors! Layer a comfy chaise with pillows, add soft lighting and sink in.
▶ START WITH: Tuscany Lounger, \$234. *Plants*, \$12.48-\$19.98 each; *table*, \$20.

Try mixing stripes with a fun statement pillow. *Pillows*, \$12.46 each.
